

Future Energy Llanwern Solar Farm

Feedback Form

Please complete this form to share your views on the proposals for Future Energy Llanwern Solar Farm. The deadline for responses is **11:59pm on 15 February 2026**.

About the project

Future Energy Limited (the Developer) is proposing a solar farm and battery storage facility on land south of the Llanwern Steelworks, near Newport. The site offers strong transport links and is part of a wider effort to repurpose industrial land for renewable energy.

The project would deliver approximately **380 megawatts (MW)** of installed capacity – enough to power approximately 108,000 homes, equivalent to the combined household demand of Newport and Monmouthshire, or around 8% of Wales's households.

As a Nationally Significant Infrastructure Project (NSIP), the scheme requires a Development Consent Order (DCO) from the Secretary of State for Energy Security and Net Zero.

How to provide feedback

You can submit your feedback by:

Attending a consultation event and handing in your form

Posting it to:
**FREEPOST FEL
SOLAR FARM**
(no stamp required)

Emailing a scanned copy to:
enquiries@futureenergyllanwern.co.uk

Completing the online form at:
futureenergyllanwern.co.uk

The statutory consultation runs from **10 December 2025 to 11:59pm on 15 February 2026**.

Section 1: About you

Title _____ Name _____

Age range Under 18 19–35 36–50 51–65 Over 65 Prefer not to say

Address _____

Postcode _____ Telephone _____

Email _____

I would like to receive updates about the project

Your interest in the proposal (tick all that apply):

Local resident Statutory organisation (please specify) _____

Local representative Local interest group (please specify) _____

Landowner Other (please specify) _____

Local business owner I am responding on behalf of an organisation

Work locally I am responding as an individual

Regular visitor

Section 2: General questions

1. What is your view of installing ground-mounted solar infrastructure in the UK?

Support Neutral Oppose Unsure

Comments:

2. Would you like us to keep you updated?

Yes No

3. Any other general comments?

Section 3: Project-specific feedback

4. What is your understanding of the need for this solar project?

5. What is your understanding of why **the Developer** chose this location?

6. Do you have any suggestions for additional measures to reduce the impact on the environment and local communities?

7. How can we support the community through this project?

Section 4: Our consultation process

Please tick if you agree with the following statements:

- I have a good understanding of the FEL project and **the need for the project**
- The consultation process has improved my understanding of the project's planning and approval process
- The consultation materials were clear and easy to understand
- The consultation was inclusive and accessible

If you would like to talk to us about the project, you can contact our community relations team using the following contact information:

- **Email:** enquiries@futureenergyllanwern.co.uk
- **Call:** 0800 783 5601 (9:00am to 5:30pm, Monday to Friday)
- **Write:** to the project team at FREEPOST FEL SOLAR FARM (no stamp required)
